Julie Aiken, Principal
Erie County Technical School
8500 Oliver Road
Erie, PA 16509

Dear Ms. Aiken,

I am writing to formally submit my resignation from my position as the Facilities Maintenance Technologies Instructor at Erie County Technical School, effective 08/31/25.

This decision did not come easily, as my time at ECTS has been both professionally rewarding and personally meaningful. I am truly grateful for the opportunity to have worked with such dedicated staff, supportive administration, and talented students. Over the course of my time here, I have grown immensely as an educator and have taken great pride in helping students build valuable technical skills and prepare for successful careers.

Please know that I remain fully committed to supporting a smooth and effective transition. I will ensure that instructional materials, curriculum plans, and classroom operations are left in an organized manner for my successor. I am also happy to assist in any way during the transition period.

Thank you again for the trust and support you have provided during my tenure at ECTS. I look forward to staying in touch and wish continued success to the Facilities Maintenance Technologies program and the entire school community.

Sincerely,

Daniel Dawison
