Articulation & Dual Enrollments – We continue to communicate with post-secondary partners to renew and develop new articulation agreements and dual enrollments for our programs. Perkins V requires annual renewal on agreements.

Textbooks/Workbooks/On-line Subscriptions – New textbooks and workbooks are in and student accounts created for on-line access to instructional resources and certifications.

Special Education

IEP Reviews- Lesa has scheduled September 29 - October 1 to meet with instructors and instructional aides to review the IEP's and 504 plans of their students. Our instructors and instructional aides have taken an active role in identifying the specific needs of students with disabilities.
