Hello Jessica Garnica,

Thank you for being a part of Business Prime! We hope you have been enjoying **Business Prime benefits** including fast, FREE Business Delivery, Guided Buying, and other exclusive offers available to our members.

Just a friendly reminder that your 12-month Business Prime membership is set to automatically renew on October 06, 2025 for \$779 (plus any applicable taxes), unless you choose to cancel beforehand.

Please note that if the number of users on your business account exceeds the limit for your plan at the time of renewal, you will be upgraded to the plan that allows for the then-current number of users on your account. If you are upgraded, you will be charged the applicable plan membership fee listed on **Business Prime plans**.

If you prefer not to continue, visit **Manage membership** and click "Cancel membership". To avoid being charged, you must cancel at least one day prior to the renewal date. You also have the option to **edit your payment method, update your PO number, or switch to a different plan**. Note that a missing payment method may lead to suspension of your membership and all users may lose access to Business Prime benefits.

You can view or request **Business Prime invoices** by visiting **Payment History**. Depending on your payment method, it may take up to 10 business days after the renewal date for an invoice to be generated.
