

Career Planning Coordinator Board Report

October 2025

Career Planning

- **Advanced Training Day**, September 24, 2025. See attached report.
- Working with students to log into CTE 360 to complete state required **Occupational Objective Form**.
- Level one students will be completing certificates using Career Safe Employability programs. There are individual topics that can be completed for certification and portfolio requirements.
- Currently reviewing and refining the student portfolio requirements and checklist to improve organization and enhance clarity.
- **Counselor Meeting** held October 3, 2025. All sending school counselors are invited to attend.

Student Activities

- **Advanced Training Day** held Wednesday, September 24, 2025. All ECTS students participated in the career exploration and college search activities.
- CPC accompanied three students to the **Activating Agency & Well-being: Student Symposium** at the Bayfront Convention Center on September 30, 2025. Students participated in discussions revolving around how students handle stressful situations and mental health.
- **ELECT Program** meets at ECTS once a month, every third Friday.
- **Leadership and Asset training (L & A)** has started and will continue for 2025-2026 school year. Our mentor this year is Angie Amatangelo. She is working with each lab to provide a SEL experience for all students.
- **Women in the Building Trades** held Friday, September 19, 2025. Our panel of 6 visitors, women in the building trades, answered questions from our all-girl audience from our EET, CNT, FMT, PMT, and DDE labs.
- Meeting with students, parents, and sending school counselors as needed.
